

DealerCONNECT 101

This **week-long** module will take you through how to access DealerCONNECT, and how to find information within the platform like dealership digital marketing products and the status of vehicles within a dealer inventory.

Reach out to the group via Teams with any questions or to your trainer directly via email throughout the week.

This Week's Modules

	<p>Accessing DealerCONNECT Watch the introduction to DealerCONNECT Follow the step-by-step guide to access the login page, dealer inventory, and digital products pages.</p>
	<p>Guided Practice Work through several guided scenarios to locate various dealer products and inventory selections.</p>
	<p>WebQuest Pretend you are dealer calling in to check on certain products. Use DealerCONNECT to access three dealership accounts in the British Columbia region. Pose three questions to your peers in our Teams chat using the information you see in their account. (Example responses available in module.) Respond to at least three peers questions.</p>
	<p>Mastery Check Complete the form quiz by using DealerCONNECT to find specific information about various dealership products and inventory.</p>
