UNIVERSITY**

STUDY-ABROAD PREPARATION COURSE

Embark on your study abroad to Namur, Belgium, with confidence! This 6-week preparatory course is tailored for business school students accepted into the summer study-abroad program. Combining cultural insights and practical French language skills, this course equips you to thrive personally, professionally, and academically while living in an international community.

COURSE HIGHLIGHTS

- ✓ **Cultural Engagement Framework**
Learn to analyze and embrace cultural dimensions in Belgium and reflect on your own cultural identity
- ✓ **Survival French Essentials**
Gain the language skills needed to navigate daily life abroad and the tools to support you outside of class
- ✓ **Practical Learning**
Engage in real-world scenarios and personalized assessments that prepare you for success abroad
- ✓ **Hybrid Modality**
Complete your coursework with a blend of synchronous and asynchronous experiences
